2.2 That if the City does not establish or construct, or commence to establish or construct, a system as aforesaid within the time limited herein, it shall make all reasonable efforts to make good any and all damage or disturbance to the Lands caused by the exercise of its rights hereunder, and without limiting the generality of the foregoing, it shall:

(a) Make good at its own expense all damage or disturbance which may have been caused to the surface soil of the Lands in the exercise of its rights hereunder;

(b) Replace or repair any building, structure, mobile home, concrete or asphalt driveway, or patio, pipe, wire, or other conduit that may have been damaged by the City in the exercise of its rights hereunder;

(c) Not bury any debris or rubbish of any kind in excavations or backfill.  
PROVIDED HOWEVER, that nothing herein contained shall require the City to restore any trees or other surface growth but the City shall leave the Lands in a condition which will not inhibit natural regeneration of such growth.

#### 3.0 THE PARTIES HERETO EACH HEREBY COVENANT TO AND AGREE WITH THE OTHER, as follows:

3.1 Notwithstanding any rule or equity to the contrary, the system as aforesaid, and all pipes, valves, conduits, casings, fittings, lines, meters, appliances, attachments of devices used in connection therewith (hereinafter called the Works)

3.2 That no part of the title in fee-simple to the soil shall pass to or be vested in the City under or by virtue of these presents and the Owner may fully use and enjoy all of the Lands subject only to the rights and restrictions herein contained.

3.3 That the covenants herein contained shall be covenants running with the Land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Owners seisin or ownership of any interest in the Lands, and with respect only to that portion of the Lands of which the Owner shall be seised or in which he shall have an interest, but that the Lands nevertheless, be and remain at all times charged therewith.

3.4 If at the date hereof the Owner is not the sole registered owner of the Lands, this Agreement shall nevertheless bind the Owner to the full extent of his interest in fee-simple, this Agreement shall likewise extend to such after-acquired interests.

3.5 Where the expression "Owner" includes more than one person, all covenants herein on the part of the Owner shall be construed as being several as well as joint.

3.6 This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, successors, and assigns, as the case may be, and wherever the singular or masculine is used, it shall be construed as if the plural or feminine or neuter, as the case may be, had been used, where the parties or the context hereto so require, and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby rendered necessary had been made.

2.1 That the Grantor will not, nor permit any other person to erect, place, install, or maintain any building, structure, mobile home, concrete driveway, or patio, pipe, wire or other conduit on, over or under any portion of the Perpetual Right-of-way so that it in any way interferes with or damages or prevents access to, and or is likely to cause harm to systems authorized hereby to be installed in or upon the Perpetual Right-of-way.

2.2 That the Grantor will not do nor knowingly permit to be done any act or thing which will interfere with or injure the said systems and in particular will not carry out any blasting on or adjacent to the Perpetual Right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld.

2.3 That the Grantor will not substantially diminish the soil cover over any of the systems installed in the Perpetual Right-of-way and, in particular, without in any way limiting the generality of the foregoing, will not construct open drains or ditches along or across any of the systems installed in the Perpetual Right-of-way.

2.4 That the Grantor will from time to time and at all times upon every reasonable request and at the cost of the Grantee do and execute or cause to be made, done, or executed all such further and other lawful acts, deeds, things, devices, conveyances, and assurances in law whatsoever for the better assuring unto the Grantee of the rights hereby granted.

#### 3.0 THE GRANTEE HEREBY COVENANTS TO AND AGREES WITH THE GRANTOR, as follows:

3.1 That the Grantee will not bury any debris or rubbish of any kind in excavations or backfill, and will remove shoring and like temporary structures as backfilling proceeds.

3.2 That the Grantee will thoroughly clean all lands to which it has had access hereunder of all rubbish and construction debris created or placed thereon by the Grantee and will leave such lands in a neat and clean condition.

3.3 That the Grantee will, as soon as weather and soil conditions permit, and so often as it may exercise its right of entry hereunder to any of the Lands of the Grantor, replace the surface soil as nearly as may be reasonably possible to the same condition as it was prior to such entry, in order to restore the natural drainage to such lands; PROVIDED HOWEVER, that nothing herein contained shall require the Grantee to restore any trees or other surface growth but the Grantee shall leave such lands in a condition which will not inhibit natural regeneration of such growth.

3.4 That the Grantee will, as far as reasonably possible, carry out all work in a proper and workmanlike manner so as to do as little injury to the Lands of the Grantor as possible.

3.5 That the Grantee will make good at its own expense all damage or disturbance which may be caused to the surface soil of the Lands of the Grantor in the exercise of its rights hereunder.

#### 4.0 THE PARTIES HERETO EACH HEREBY COVENANT TO AND AGREE WITH THE OTHER, as follows:

4.1 The said systems referred to in paragraph 1.1 above, together with all pipes, valves, conduits, casings, fittings, lines, meters, appliances, attachments, or devices used in connection therewith shall constitute the "Works" (and are hereinbefore and hereinafter so described).

4.2 Notwithstanding any rule or equity to the contrary, the Works brought on to, set, laid, erected in, upon or under the Perpetual Right-of-way by the Grantee shall at all times remain the property of the Grantee notwithstanding that the same may be annexed or affixed to the freehold and shall at any time and from time to time be removable in whole or in part by the Grantee.

4.3 In the event that the Grantee abandons the Works or any part thereof the Grantee may, if it so elects, leave the whole or any part thereof in place.

4.4 That no part of the title in fee-simple to the soil shall pass to or be vested in the Grantee under or by virtue of these presents and

the Grantor may fully use and enjoy all of the Lands of the Grantor subject only to the rights and restrictions herein contained.

4.5 That the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the Lands of the Grantor, and with respect only to that portion of the Lands if the Grantor of which the Grantor shall be seised or in which he shall have an interest, but that the Lands of the Grantor, nevertheless, be and remain at all times charged therewith.

4.6 If at the date hereof the Grantor is not the sole registered owner of the Lands of the Grantor, this Agreement shall nevertheless bind the Grantor to the full extent of his interest in fee-simple, this Agreement shall likewise extend to such after-acquired interests.

4.7 Where the expression "Grantor" includes more than one person, all covenants herein on the part of the Grantor shall be construed as being several as well as joint.

4.8 This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, successors, and assigns, as the case may be, and wherever the singular or masculine is used, it shall be construed as if the plural or the feminine or neuter, as the case may be, had been used, where the parties or the context hereto so require and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby rendered necessary had been made.
